The accompanying copy of letter No. 724, dated the 15th July 1931, from the Consul-General for Belgium to the Government of India in the Foreign and Political Department together with copy of its enclosure is published for general information.

Copy of a letter No. 724, *dated Calcutta, the 15th July*, 1931, *from the Consul-General for Belgium at Calcutta to the Secretary to the Government of India in the Foreign and Political Department, Simla.*

As you are aware holders of British Passports are admitted in Belgium without being required that a Belgium Consular visa be obtained on their passports before leaving their usual place of residence.

Owing to the abnormal circumstances arising out of the world economic crisis, it has been deemed necessary to take special measures to prevent the Belgium labour market to be overflooded by foreigners in quest of work.

The rules which have been decided upon are laid down in a Belgium Arrette Royal dated the 15th December 1930, and which has been enforced from the 15th March 1931. A copy is enclosed for your information.

In short the principle is as follows:—No foreigner is admitted in Belgium to work as a manual labourer or as a Clerk or an employee unless he has been granted a previous authorization to the same by the Belgian Ministre de la Justice.

The authorization is given in the form of a blue card styled " Permis de penetrer dans le Royaume pour less travaillo manuols on intellectuels." This card must be produced on entering the realm together with the passport.

Applications for the said " Permis " must be made through the Belgian Consulate in whose jurisdiction the applicant resides and the delay for obtaining the same, if granted, will be about two months.

I have been directed by my Government to bring the above rules to your cognizance.

Royal decree, dated Brussels, the 15th December 1930.

In view of Articles 9 and 12 of the decree of the 23rd Messidor of the third year, we have decreed and decree: —

Article 1.—Without prejudice to the provisions which govern passports foreigners will not be admitted into Belgium to work as manual labourers or employees, unless they have been granted a previous authorization to this effect by the Ministre de la Justice.

Article 2.— Applications for the said authorisation should be made to the Minister for Foreign Affairs through the Belgium Consulate in whose jurisdiction the applicant resides.

Article 3.—The application must be accompanied by an agreement for work or service with an employer established in Belgium a medical certificate from an approved physician; a certificate of good character not more than three months' old, accompanied, if necessary by a Police record for the last five years with a translation into one of our national languages.

The agreement must have the concurrence of the Ministre de l'Industrie, du Travail et du la prevoyance.

Article 4.—The authorization will be transmitted to the applicant through the Belgian Consulate in whose jurisdiction the applicant resides.

Article 5.—A report on the application or the present decree will be made annually to the Council of Ministers.

Article 6.—The Ministere, de l'Industrie, du Travail et de la Prevoyance Social and the Minister for Foreign affairs will give effect to the present decree, each within his own province.

By Order,

H. V. RAMASWAMI,

General Secretary to Government.
